

IN SEARCH OF THE TRAGICALLY HIP'S UNDISCOVERED ALBUM

TRAGICALLY HIP WORD SEARCH

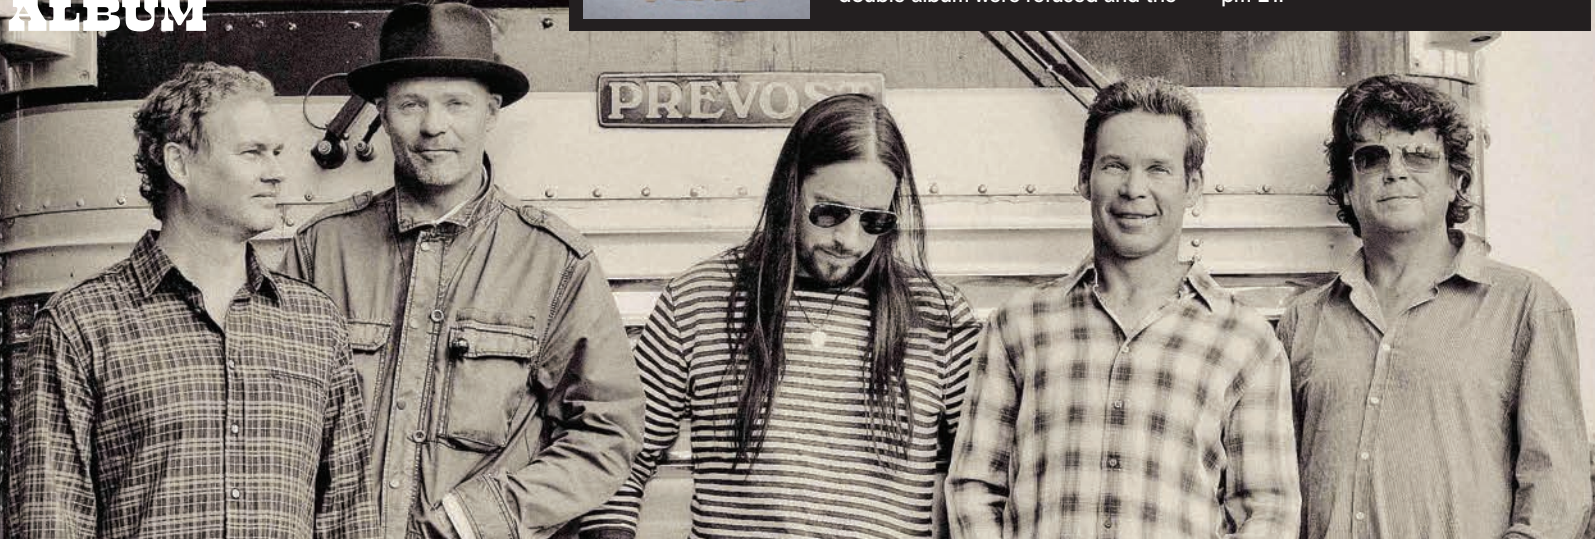

It's a dream come true for Canadian music fans with the release of The Tragically Hip's *Saskadelphia*, a new album filled with unreleased songs from their 1990 *Road Apples* sessions.

The band's pleas to release a double album were refused and the

songs disappeared—until now. In the spirit of the Hip discovery, we present The Tragically Hip Word Search.

Remember to watch The Hip pick up their Humanitarian award — and perform a song with Feist — at the JUNOs, Sun. June 6 on CBC at 8 pm ET.
